2. [] advised me that Secretary Zuckert and Joe Charyk have been invited to appear before the McClelland Senate Committee incidental to the TFX inquiry. Mr. [] stated that no firm date has been set for their appearance; however, it is expected that they will follow the appearance of the Secretary of the Navy, Mr. Fred Korth.

3. In preparation for their appearance, according to [], Secretary of the Air Force and Mr. Charyk have prepared proposed responses to anticipated questions. In this regard [] stated that the answers they proposed to give with regard to past experience in the use of titanium in aircraft are, in his opinion, untrue; and, therefore, the Secretary and Mr. Charyk, if they did respond in such fashion, would be committing perjury before the Senate Committee.

4. [] inquired of me as to whether their security clearance would afford them immunity in this regard. I informed [] that in my opinion a security "clearance" or "approval" would not afford such immunity, and I immediately suggested to [] that this is a matter before giving an answer to which I would solicit the guidance of our General Counsel and our Director of Security. I further informed [] this is a matter which undoubtedly the Director of Central Intelligence would have an interest, and I inquired of him as to whether he had any objection to the matter being so referred.
